Learn. Grow. Achieve.

Dear Friends and Supporters,

Thank you to everyone who helped us celebrate Focus Points Week and our 25th anniversary! Our **the give small BIG IMPACT campaign: a Day of Giving for Focus Points** fundraiser on Monday, August 3rd raised more than \$4,700.

On Wednesday, August 5th, we celebrated our 25th anniversary at our **Farmers Market** along with our partners at Lost City Market with over 200 shoppers in attendance and seven vendors selling local produce and goods.

Focus Points Week concluded with our **Back2School** event where we distributed 330 backpacks full of school supplies to local elementary and high school students from the GES neighborhood. These backpacks include a local Community Resource packet, notebooks, folders, pencils, pens, glue, colored pencils, markers, rulers, pencil sharpeners, erasers, books, and face masks.

We would especially like to thank staff and other volunteers who donated their time and recognize our partners for Focus Points Week: [Cooking Matters Colorado](#), [Comal Heritage Food Incubator](#), [Denver Art Museum](#), [Reach Out and Read Colorado](#), [Kenzi's Causes](#), [Central 70 Project](#), [Office Depot](#), [Our Lady of Grace](#), PPE Donation and our Community Partners including Lost City.

Sincerely,

A handwritten signature in blue ink that reads "Jules".

Jules Kelty
